

General:

Launch Date:	Sept 2012
LOA:	14 m
Beam:	5.0 m
Draft:	1.0m
Max Speed:	28 Knots (Builders Estimate)
Main Engines:	2 x Cummins QSC 8.5 500 HP
Propulsion:	Fixed props
Generator:	6kw Diesel A/C Generator +3.5kw Inverter
Fuel Capacity:	900 Gallons
Licences:	UK – MCA COP 12+2 / 60 Miles Ireland – P5 Passenger Licence
Hull:	Lloyds Special Service Craft

Radar with C Map Chart Overlay

Koden 2560BBF Black Box radar processor with keyboard,
4ft / 6kW open array Radome
Koden AIS-120 AIS interface BB Radar

Backup Radar

Koden MDC-921 radar 8.4" colour display with 17" 2kW radome.

Class A AIS Transponder

1 Koden KAT100 Class A AIS transceiver c/w GPS antenna.

Electronic Compasses

Koden KGC-1 GPS Compass
Back up fluxgate sensor for autopilot heading

GPS Compass Repeater

1 Koden ECI1 GPS Compass Indicator for KGC-1

Autopilot

Navitron NT777 with 0 to 2.5 litres/min constant running pump
Navitron NT920NFU Non Follow up power steer (jog) lever
Navitron NT920 RAI rudder angle indicator

Echo Sounder

1 Koden CVS-128 8.4" Colour Echo sounder dual frequency 50/200 kHz

Fixed VHF Radios

3 x Icom IC-M505 DSC /VHF Radio c/w fist mikes
2 x DNH HP30 Hailers
Koden GPS-20A GPS sensors for independent GPS position to DSC radios
Battery charging monitors with low voltage alarms

Chart plotter

Lorenz Magnum Pro C-Map chart controller c/w GPS, C-Map chart

Handheld VHF Radio

2 Icom IC-M35 handheld VHF radios with 12v / 240v chargers

Displays

3 x 17" LCD Displays

Navtex

Furuno NX-300 Navtex with antenna

Man Over Board System

Mobilalarm (Sea Marshall) Sarfinder base unit and antenna

CCTV System

8 Way DVR c/w 1TB hard drive for camera splitting and sequential switching
2 Engine Room cameras with infra red LEDS
4 External Stainless Steel marine waterproof cameras

Windspeed & Direction

Raymarine ST60+ wind system with Rotavecta wind transducer

EPIRB & SART

Kannad Automatic EPIRB in float free auto release container, Wheelmarked.

Kannad Rescuer SART

Additional Deck Items

Moon Pool: 750mm x 750mm

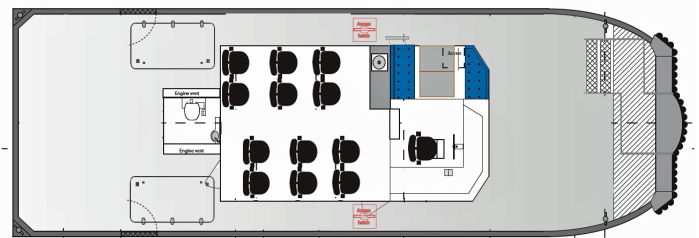

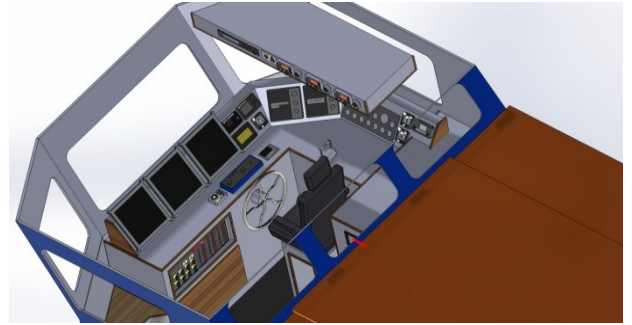

Proven Turbine nose fender docking connection
Hydraulic power pack
Large open deck space fore and aft

Accommodation & Facilities:

Toilet, Shower, Full mess area with cooking facilities.

Gas Suspension Seating for up to 12 Passengers which can be removed and reconfigured to suit survey work and installation of survey equipment.

All details given in good faith without guarantee / prejudice
